### NEW THINGS TO EXPECT IN ROOM 112

- Room 112 is a program for 4 year-olds, that will begin TK or Kindergarten the following year.
- In this class, children will learn to write their name, and write letters and numbers with the correct formation.
- They will be introduced to sounds that letters make, simple math, and counting to 100!

### INFORMATION FOR PARENTS

- Lunch and snacks will be provided. Menus will be emailed monthly.
- Preschool Curriculum Overview will be provided separately.

# MEET YOUR TEACHERS

**Ms. Katie -AM**

Welcome to 112! I can't wait to start the year together. I have an AA in ECE, I'm married and have a son named Jacob. He attended Children's House several years ago. He loved this school, and so do I. I love teaching children about Jesus and how He loves us. I also like to teach them writing and reading skills, and cool science projects.

**Ms. Debbie -AM**

My name is Debbie Jones or Ms. Debbie to your children. I have worked at the Children's House for over 30 years, I love teaching preschoolers! While I have my Elementary Teaching Credential, I really enjoy working in this setting, where I can teach about Jesus as well as early childhood skills. In my free time, I enjoy spending time with my family and reading.

**Ms. Karen M. -PM**

Hello My name is Karen. I have worked for Children's House for over 20 years. I have worked with 2 years - 5 year olds throughout the years. I'm blessed to be working in Room 112 this year and look forward to working with your children.

**Ms. Roxana -PM**

I have worked at CH for 7 months. I love working with young children and I approach each child as an individual who I get to help grow and teach. My favorite activity is circle time because this allows the children to socialize and helps them relate to their friends. I also love being able to pray with the children before meals. It is a blessing working for CH as I feel like I am at home.

## HEALTH & SAFETY MEASURES

- We sanitize surfaces and disinfect toys daily.
- Student temperatures are taken before they are checked into class.
- If your child has a temperature of 100.6°F or higher, has a runny nose, or is coughing, please keep them home.
- Hands are washed after recess, restroom use, and before lunch.
- Our campus is fully gated with coded access.
- We have Child CPR/First Aid certified staff in every room.
- We use age appropriate toys and a fully child proofed classroom.
- There is a maximum teacher to student ratio of 1:12.
