INFORMATION FOR PARENTS

- Daily Reports are filled out by parents and completed by our staff and sent home every evening.
- Parents provide all meals for our Infant/Toddler program. Food/Bottles must be fully prepared and ready for serving. (Food is warmed in a microwave & bottles are warmed in a crock pot).
- Each infant has their own crib for napping. (6 wks - 12 mo.) No blankets will be placed in beds, we recommend sleep sacks.
- Toddlers sleep on cots and may use a blanket for nap time.
- Our Infant/Toddler Center has a simple curriculum with monthly themes and colors.
- Please provide a lunch bag, all dishes/utensils, & bottles will be sent home at the end of the day. (Dishes are only rinsed)

MEET YOUR TEACHERS

Ms. Mandalyn - AM/PM

Hello, my name is Mandy, and I've been working here at Children's House for about 5 and a half years, and it's been amazing! I've spent most of that time teaching in the Infant/Toddler room, and I love seeing the kiddos reach milestones and learn new skills! It's truly a blessing to be a part of your children's lives, and to support their growth and development.

Ms. Sarah - PM

I have been working at the Children's House for 4 years. I graduated from Biola, with a B.A. in Christian Ministry and I'm currently finishing my teaching certificate in Early Childhood. Since high school God called me to work with children by showing His love and His light. My hobbies include watching Korean shows and rock climbing. It's been a pleasure to work here, and I hope to see you around!

Ms. Camryn - AM

I have been working at Children's House for over 2 years. I greatly enjoy working with the children, and watching them learn to express themselves. I also love watching them mature and grow into their own, unique individuals. My favorite activities are doing Bible Story Time, and teaching them about Jesus. And I also love worshipping with them.

HEALTH & SAFETY MEASURES

- We sanitize surfaces and disinfect toys daily.
- Student temperatures are taken before they are checked into class.
- If your child has a temperature of 100.6°F or higher, has a runny nose, or is coughing, please keep them home.
- Hands are washed after recess and before lunch.
- Our campus is fully gated with coded access.
- We have Infant & Child CPR/First Aid certified staff in every room.
- We use age appropriate toys and a fully child proofed classroom.
- There is a maximum teacher to student ratio of 1:4.

"All your children shall be taught by the Lord, and great shall be the peace of your children."

Isaiah 54:13
