Feeding and Nap Time May Vary per Child

WELCOME LITTLE ONES

Welcome to Room 1! As you begin this new adventure with your Infant/Toddler, you will see some big milestones for both you and your child. Whether your infant will be with us from 6 weeks-2 years, changes will happen quickly. Our staff is here to walk alongside you, as your child goes through these various stages of development.

SAMPLE ACTIVITIES

- Stories
- Songs with Motions
- Finger Painting
- Sensory Play

INFORMATION FOR PARENTS

- Daily Reports are filled out by parents and completed by our staff and sent home every evening.
- Parents provide all meals for our Infant/Toddler program. Food/Bottles must be fully prepared and ready for serving. (Food is warmed in a microwave & bottles are warmed in a crock pot).
- Each infant has their own crib for napping. (6 wks - 12 mo.) No blankets will be placed in beds, we recommend sleep sacks.
- Toddlers sleep on cots and may use a blanket for nap time.
- Our Infant/Toddler Center has a simple curriculum with monthly themes and colors.
- Please provide a lunch bag, all dishes/utensils, & bottles will be sent home at the end of the day. (Dishes are only rinsed)

MEET YOUR TEACHERS

Ms. Fran - AM

Hi, my name is Fran! This is my 24th year teaching preschool. I've been working here at the Children's House for almost 3 years. I absolutely love it! The best thing about teaching is getting to experience children meeting their goals and when something clicks, it's like magic! My daughter attends preschool here and my son is in the afternoon Day Camp program, they both really enjoy it! I'm looking forward to this coming year, it's going to be filled with fun, learning and new adventures!

Ms. Michelle - AM/PM

I have been working at the Children's House for almost 3 years. I have a special love for children and enjoy working with the infants. Family is important to me! In my spare time, I enjoy spending time with my husband and 2 daughters Eliana and Athena. Eliana attends Children's House in Room 103 and loves coming to school every day!

"Train up a child in the way he should go; even when he is old he will not depart from it."

Proverbs 22:6

HEALTH & SAFETY MEASURES

- We sanitize surfaces and disinfect toys daily.
- Student temperatures are taken before they are checked into class.
- If your child has a temperature of 100.4°F or higher, has a runny nose, or is coughing, please keep them home.
- Our campus is fully gated with coded access.
- We have Infant & Child CPR/First Aid certified staff in every room.
- We use age appropriate toys and a fully child proofed classroom.
- There is a maximum teacher to student ratio of 1:4.
