

The Children's House Preschool

Welcome to Room 103

TAKING THE NEXT STEP

We are excited to welcome you into Room 103. While our curriculum focuses on basics, we emphasize both, academic and emotional learning. We work to expand the student's vocabulary, as well as encourage discovery, curiosity, and imagination.

- Sensory Centers: Shaving Cream & Play-Dough
- Dramatic Play: Dolls, Tools, and Camping Toys

NEW THINGS TO EXPECT IN RM 103

Each year, the children begin to develop new skills that are age appropriate. Room 103 is designed for 3/4 year olds. In this class, the 4 year old children will be introduced to writing simple lines, letters, and numbers. All children will be given the opportunity to be creative, while building listening skills that will help with getting along with others and preparing them for next year.

INFORMATION FOR PARENTS

- Lunch and snacks will be provided. Menus will be emailed monthly.
- Preschool Curriculum Overview will be provided separately.

MEET YOUR TEACHERS

Ms. Myra - AM/PM

Hello, I am Myra Lilley. I have been a preschool teacher here at C.H. for 4 years, and working with young children for over 25 years. I have a Bachelor's Degree in Early Childhood Education. My favorite hobbies are crafts, making cards, reading and baking.

Ms. Maria - AM

I have been working for Children's House for 6 years. My favorite activity with the children, is circle time. The children enjoy singing, listening to stories, and learning time. I enjoy working with 3-4 year olds, and I pray that GOD will always guide me.

Ms. Jessica - PM

I have been teaching at Children's House for 4 years. I just graduated last Spring with my Bachelors in Liberal Studies. I am also a CH alumni myself, so my love for the school runs deep! One of my favorite things to do in the classroom, is to challenge the children & find creative ways to develop their fine motor skills. I feel extremely blessed to do what I love everyday!

"Children are a gift from the Lord. They are a reward from Him."

Psalm 127:3

HEALTH & SAFETY MEASURES

- We sanitize surfaces and disinfect toys daily.
- Student temperatures are taken before they are checked into class.
- If your child has a temperature of 100.6°F or higher, has a runny nose, or is coughing, please keep them home.
- Hands are washed after recess, restroom use, and before lunch.
- Our campus is fully gated with coded access.
- We have Child CPR/First Aid certified staff in every room.
- We use age appropriate toys and a fully child proofed classroom.
- There is a maximum teacher to student ratio of 1:12.
