# MEET YOUR TEACHERS

**Ms. Maria - AM**

I have been working for Children's House for 4 years. My favorite activity with the children, is circle time. The children enjoy singing, listening to stories, and learning time. I enjoy the 2 year olds tremendously, and I pray that GOD will always guide me.

**Ms. Camryn - AM**

I have been working at Children's House for a little over 4 months. I greatly enjoy working with the children, and watching them learn to express themselves. I also love watching them mature and grow into their own, unique individuals. My favorite activities are doing Bible Story Time, and teaching them about Jesus. And I also love worshipping with them.

"All your children shall be taught by the Lord, and great shall be the peace of your children."

**Isaiah 54:13**
