## NEW THINGS TO EXPECT IN ROOM 103

Each year, the children begin to develop new skills that are age appropriate. Room 103 is designed for 4 year olds. In this class, the children will be introduced to writing simple lines, letters, and numbers. They will be given the opportunity to be creative, while building listening skills that will help with getting along with others and preparing them for Pre-K next year.

## INFORMATION FOR PARENTS

- Lunch and snacks will be provided. Menus will be emailed monthly.
- Preschool Curriculum Overview will be provided separately.

# MEET YOUR TEACHERS

**Ms. Myra - AM**

Hello, I am Myra Lilly. I have been a preschool teacher here at C.H. for 3 years, and working with young children for 25 years. I have a Bachelor's Degree in Early Childhood Education. My favorite hobbies are crafts, making cards, reading and baking.

**Ms. Sarah - PM**

I have been working at the Children's House for over a year now. I graduated from Biola, with a B.A. in Christian Ministry and an emphasis on children. My passion for working with children, started in high school, when God called me to Children's Ministry, and to listen to, love, and nurture any child I may come across. Aside from working with children, my hobbies include photography, brush lettering, and learning languages. It's a pleasure to work here, and I hope to see you around the campus.

"Children  
are a gift  
from the  
Lord. They  
are a  
reward  
from Him."

**Psalm 127:3**

## COVID-19 SAFETY MEASURES

Our priority is the health and wellness of our children and our staff. We are doing everything in our power to ensure a safe, clean environment.

Parents/Guardians that are vaccinated may enter CH mask free. If you're not vaccinated, please continue to wear a mask when entering our campus for drop-off and pick-up.

- We are sanitizing surfaces and disinfecting toys daily.
- Student temperatures are taken before they are checked into class.
- Hands are washed at morning drop off and several times throughout the day. This includes before/after meals, and after using the restroom.
- We will ask a series of questions every morning during drop-off.
- If your child has a temperature of 100.4°F or higher, has a runny nose, or is coughing, please keep them home.
